rustlang	2

🎓 Education

Academic
B.Tech in CSE –2011-2015
WBUT(Kolkata)

Professional
Microsoft Virtual Academy 'Know it prove it' on Web Development

Experience

Software Engineer @ Senseforth AI Research Pvt Ltd (4.5 years)

- Designing and developing scalable backend systems for a perfect mix of consistency and availability

- Writing performant Web APIs and microservices

- Creating complete FrontEnd development pipeline across the range of products

- Improving, maintaning legacy products to cope up with the fast changing Web.

- Writing modern testable but still backwards compatible Browser side code with latest of the Web

- Moving MVPs, built for POCs to a TDD based codebase

Open Source Contributions
